

Share Your Story of Impact

Write your experience with this content.

Consider addressing 2 or more of the following questions:

- What are one or two things that impacted you during this experience?
- What would you tell a friend or family member in response to your experience?
- What impact will this material have on your future?
- What feedback would you give your teacher about the content?

A large sheet of lined paper with two binder holes on the left side, intended for writing a response.
