

Sitters With A Purpose LLC -COVID 19 SOP

Continuing guidance based on CDC standards:

Sitters With a Purpose will sanitize all surfaces, hard surfaces will be cleaned and sanitized with bleach solution all soft surfaces including carpets, will be sprayed with antibacterial spray and given time to dry. This procedure will be repeated after and before each session.

Restroom breaks will now require the staff member to Lysol or Clorox wipe all door handles before allowing children in to the toilets. All toilet seats and toilet handles will also be wiped before use. Faucet handles and sinks will be wiped down before and after use. As always children will be required to wash their hands vigorously after toilet use.

Hand sanitizer stations will be at multiple spots in each room.

Sitters With A Purpose equipment will be initially sanitized and will be re sanitized after each session.

The appropriate PPE equipment will be utilized, All our staff will have face masks and clear plastic splash shields.

All staff will have their temperature checked three times before each session and the highest reading logged into the sheet. Only staff with a temperature that falls into the normal range will be allowed to work.

All children will also have their temperatures checked prior to entering the childcare room. Any child with a reading of 100.6 or more will not be able to attend the event along with any siblings also attending the event. Children over the age of 2 years old must wear a mask upon entering the childcare room. All baby supplies must be placed into a wipeable bag no fabric bags. All parents must pick up and drop off outside of the childcare room. No parent will be allowed inside the childcare room (off post events) and must stand 6 ft away from each other at check in
